Demo Screen

Product Information

Small, compact, portable and ready in seconds.

Appropriate for table top presentations. The fabric unrolls such that the Demo Screen can suit different projected aspect ratios. Datalux surface offers enough gain to boost projected image brightness.

TECHNICAL CHARACTERISTICS

- For use as a table mounted screen.
- Setup involves folding out the feet and opening the case.
- Feet ensure a stable base and will not scratch table tops.
- Black anodized aluminum case.
